About YCAP

YCAP was launched by a group of young Canadian arbitration practitioners in 2004. The mission of YCAP is as follows:

to provide professional development opportunities and a forum for the exchange of ideas for young lawyers and other young professionals with an interest in international arbitration; and

to provide professional networking opportunities for young lawyers and other young professionals with an interest in international arbitration.

About YAF

YAF is organized by the USCIB, the US national committee of the ICC International Court of Arbitration. The aim of YAF is to provide a forum for young lawyers and students (age 40 or under) who practice or are interested in the field of international dispute resolution to meet, exchange ideas and learn from well-established and up-and coming practitioners in the field.
