About YCAP

YCAP was launched by a group of young Canadian arbitration practitioners in 2004. The mission of YCAP is as follows:

- to promote interest in and understanding of international arbitration, particularly in Canada, among young lawyers working in private practice and with corporations and government, as well as among other interested young professionals, the Courts, the Canadian and international business community, Canadian and foreign legislative bodies and arbitral institutions, and the public at large;
- to provide professional development opportunities and a forum for the exchange of ideas for young lawyers and other young professionals with an interest in international arbitration; and
- to provide professional networking opportunities for young lawyers and other young professionals with an interest in international arbitration.

Registration for the 2014 YCAP FALL SYMPOSIUM

The 2014 YCAP Fall Symposium will follow the successful format we used in the YCAP/IBA Toronto Symposium in May 2014: a fictional law firm's biggest client (the infamous Mozart Industries) requires urgent advice on which international arbitration rules to choose for a dispute that has arisen out of its multi-million dollar infrastructure project. A firm-wide meeting is called to brainstorm and go through the options: International Chamber of Commerce (ICC), London Court of International Arbitration (LCIA) or International Centre for Dispute Resolution (ICDR) Rules. Those attending will engage in a lively discussion designed to illustrate some of the key differences between the rules of the world's preeminent international arbitral institutions.

To attend the event, please complete and return the Registration Form on Page 3. We encourage you to register early, as numbers are limited for this event. **If sending by email, please use the subject line "2014 YCAP FALL SYMPOSIUM".**

YCAP members and students can attend this event free of charge. Non-member practitioners are asked to pay a \$20 registration fee to help defray the technology costs for this event.

A cocktail reception at Norton Rose will follow the symposium starting at 6:00pm.

If you have any questions or require any further information regarding the Symposium, please email YCAP President Mark A. Luz at mark.luz@international.gc.ca or Catherine Rousseau-Saine at Norton Rose Fulbright catherine.rousseau-saine@nortonrosefulbright.com adding "2014 YCAP Fall Symposium" in the subject line.
